

November 2008 Newsletter

Greetings and Namaste'.

I realize I have not kept my intention of a monthly newsletter in recent months. I really have no excuse, but a lot has been happening on my journey.

I have many thoughts about the changes taking place on Earth right now. This is my VERY brief synopses of what we are seeking on the level of Spirit.

We are all one, created from the Source Energy of God (or whatever name you prefer.) We are passionately desiring a return to the consciousness of this profound truth. We are not separate in Spirit and we are certainly not separate in human form here on Earth. It's time for us to be responsible for each other and for our planet. It's up to all of us to wake up and embrace the importance of cooperation, of not judging each other, and of returning to a state of unconditional love and forgiveness.

May we choose our Soul Desire of peace and harmony!

On another note, I will be featured at the Edge Life Expo November 8-9 at the Minneapolis Convention Center. I will be doing Intuitive Readings both days plus I will be presenting "Tarot Keys" at 4:00 PM Saturday the 8th . This is a free presentation featuring my gifts of music, Spirit Wisdom and a free gallery reading.

On Friday, November 14th I will be one of the featured entertainers at "White Bear's Got Art" from 3:00 PM to 6:00 PM. This event will be held at 2228 4th Street in White Bear Lake MN. On Saturday the 15th and Sunday the 16th I will be doing Intuitive readings at this event.

I look forward to seeing you soon!
